BAGGING CONTRACTORS - BLENDERS - MINERAL GRINDERS

SERVICES AVAILABLE

FERTILISERS - BAGGING
We offer a complete bagging service for granular fertilisers. We are able to receive bulk materials in quantities up to 3000 tonnes and bag, palletise and shrinkwrap them at the rate of 25 tonnes per hour. Alternatively we are able to receive fertilisers in bulk and pack them in 500 kilo, 750 kilo or one tonne bags. We are especially experienced in bagging Urea.

FERTILISERS - BLENDING
We have a blending unit for granular fertilisers.

POWDERS
We are able to bag finely ground powders in 25 kilo and 50 kilo plastic or paper (sacks) at the rate of 16 tonnes per hour. We also have a limited facility for blending powders.

MINERAL GRINDING
We have a Bradley Poitte Mill with a mineral grinding capability to a fineness of B.S.S.300.

STORAGE AND LOADING
The total covered area of the plant is 25,000 sq ft. and we offer storage for bulk and bagged materials. The loading facilities consist of a Volvo BM 4300 shovel with a 2 tonne capacity bucket. We also have 4 fork lift trucks on site. All incoming material can be weighed on a modern 50 tonne capacity bridge.

QUALITY CONTROL
We have a limited analytical control facility on site so that we are able to provide moisture and physical specification checks if required.

RECEIVING OF CARGOES
The nearest docks are Runcorn (MSC and Weston Point) approximately 3½ miles. Both can receive cargoes of 2/2,500 thousand tonnes (larger vessels may be discharged at Garston - 10 miles). If required we will arrange a total package - discharge, haulage to our works, bagging, reloading.

ONGOING TRANSPORT
A fulltime Transport Manager is available on site and we are able to organise deliveries to ultimate receivers.

TELEX
We are not telex connected, but we have arranged with a company with adjacent offices to use their facility. The number is 627331, messages should be preambled "Whimperleys".

Please may we quote specifically for your needs?

Welcome to City Road

Today we offer a warm welcome from City Road, to the Officials, Players and Supporters of Millom A.R.L.C., to our Sponsors, Match Officials players past and present and indeed to all Rugby League enthusiasts for this afternoons SLALOM LAGER NATIONAL LEAGUE game.

Todays game will be fourth between the two clubs since the formation of BARLA in 1973.

On the 9th September 1976 Recs travel to Millom for a memorable 28 pts - 12 Lancashire Cup Third Round Victory.

Millom gained sweet revenge at City Road, on the 24th November 1979, with a 13pts - 12 County Cup Semi-Final success.

The last occasion the teams met was again at City Road on 10th October 1981, when Recs gained a runaway 38pts - 5 win.

Recs team on that occasion was;
P. Glover (7g) S. Fenney (T) J. Sheffield (T) B. Fairhurst (2T) J. Winstanley (2T) J. McCabe (T) B. Harvey. K. Cross. J. Dooley. I. Lea. K. Whittle (T). D. Manning. S. Wright. Subs; D Cook. I. Thomas.

CLUB NOTES

Last Saturday proved to be a very disappointing day for the club, with all three open age teams going down.

The National League side were beaten 22pts to 9 at Woolston, with Neil Wood responsible for all Recs points with four penalties and a Drop Goal.

At City Road, Recs "A" team entertained Simms Cross "A" in Shape Engineering, Division Two fixture. After trailing 4 - 14 at the interval Recs improved second half display resulted in tries for Paul Carney (2) and Tony Mousdate (1) to add to Dave Prices' first half effort. The lack of a goal kicker proving to be a crucial point as Recs finally went down 14pts - 16.

Paul Carney was chosen as the man of the match, with Steve Kelly, Dave Briers, John Frodsham and Peter Glover in close contention.

Recs "B" were soundly beaten in a Division 6 game at City Road, Visitors, Tipping Arms (Wigan), running out winners by 31pts - 12.

A. Casey and E. Castle crossed for Recs tries, with J. Harden adding two goals.

Welcome to Todays Visitors

MILLOM AMATEUR RUGBY LEAGUE CLUB

Millom R.L.F.C. was founded in 1873, and is recognised as the oldest Rugby League Club in the world. In 1896 Millom were Champions of the North Western League and along with Barrow, ULverston, Lancaster followed Morecambe into the Ranks of the Northern Union, as the N.W. League was affiliated with the Breakaway Organisation.

Two years later on 5th February 1889 Cumberland played a county match against Yorkshire at Hunslet and Millom supplied twelve players for the Cumberland Team, a record to this day. The Millom club actually earned promotion to the Lancashire Senior Competition before Barrow but when the Northern league was formed by Fourteen of the leading clubs, Millom were not included but a year later in 1902/3 they were accepted into the second division. After three years Millom were only drawing small gates and held no financial attraction to the other clubs, and therefore could not arrange the requisite twenty games and in 1906/7 had to end their existence as a senior club.

Since that time Millom have been regarded as one of the leading amateur clubs and, certainly over the past twenty five years have enjoyed numerous successes and provided the professional clubs with some good players. The club have reached the first round of the Rugby League Cup a record eight times, the most recent being in 1973 when Millom drew a crowd of 4,000 v Hunslet, and in 1980 at Hull where the Millom performance earned a five minute ovation from the Hull supporters at the end of the match. Since the war 20 players have played over 50 times for Great Britain and countless more have played for the Cumbria County and Barrow Inter League teams.
In season 1978/9 Millom provided B.A.R.L.A. Player of the year in Peter Knowles, and the following season 1979/80 provided five players for the Great Britain team who played Papua New Guinea at Hull. Last season 1985/6 saw Micheal O'Brien receive the Barrow and District Player of the Year award, and once again the club making history by being the first Cumbria team to appear in the B.A.R.L.A. National Cup Final, unfortunately going down to Mysons on the 25th May 1986 at Headingley.
